Welcome Letter

Dear Colleagues,

As we look to the next decade, unmanned, remote, and autonomous vehicles are poised to revolutionize our lives, offering transformative applications in commuter transportation, package delivery, agriculture, defense systems and beyond. By 2030, these vehicles will integrate seamlessly into daily life, driving significant advancements in technology, research, and business opportunities.

URAV 2026 - The World's Conference on Unmanned, Remote, and Autonomous Vehicles 2026 will explore the latest developments in air, water and ground-based systems, expanding our knowledge and dialogue through collaboration with global experts and partners. This platform will focus on policies, innovation and cutting-edge research shaping the future of these technologies.

Through expert lectures and panels, research presentations and invaluable networking opportunities, the conference promises to unite visionaries, innovators, and leaders in the field. We are thrilled to host this event in **Jerusalem, Israel**, a vibrant destination that will set the stage for meaningful discussions and insights.

Mark your calendars for **15-17 February, 2026** and join us in shaping the future of unmanned, remote, and autonomous vehicles.

We look forward to welcoming you!
